IP Solutions

INDOOR IP CAMERA

This is a **1 / 2.9" Megapixel CMOS Sensor** IP camera with a built-in web server. The user can view real-time video via IE browser. It supports **H.264+, H.264,** and **M-JPEG** video compression, providing smooth and high video quality. The video can be stored in **Micro SD card** and playback remotely.

With a user friendly interface, it is an easy-to-use IP camera for security applications.
