INDOOR BOX IP CAMERA

This is a 1 / 3" Megapixel CMOS Sensor IP camera with a built-in web server. The user can view real-time video via IE browser. It supports H.264+, H.264, and M-JPEG video compression, providing smooth and high video quality. The video can be stored in SD card and playback remotely.

With a user friendly interface, it is an easy-to-use IP camera for security applications.
